CSR Handbook 2017 | LSC - Legal Services Corporation May 16, 2016 · Traditional Chinese medicine (TCM) is one of the oldest systems of medicine. It is more than 3,500 years older than traditional Western medicine, which came to exist much more recently, for example with the formation of the American Medical Association in 1847. TCM should not be confused with “Oriental medicine,” a catch-all phrase used to describe a …

Traditional Medicine | WHO | Regional Office for Africa Feb 01, 2019 · In many ways, artemisinin is a truly fascinating drug. From the tumultuous process of its discovery, which was deeply tied to traditional Chinese medicine (TCM), to its remarkable potency and impact as an antimalarial drug, it is not surprising that artemisinin has captured a great deal of attention since its introduction to the world stage. Over 40 years after …
